Case No: 2:18-cr-20071

Vs.

Hon. Stephen J. Murphy

D-1 (LeRon Liggins)  
Defendant

Now comes the (defendant) LeRon Liggins, giving the Court Judicial notice of ineffective assistance counsel of defense attorney Joseph Arnone.

I'm filing this Judicial notice because there has been a break down in communication, a lack of communication and certain matters unattended. Mr. Arnone had come to see me some time in the Middle of November, I asked him to file some subpoenas for me because the prosecution is withholding exculpatory evidence that's beneficial to my innocence and also to show the government ~~has~~ done fraud upon the court. I have had my family try to contact Mr. Arnone he has yet to return any calls and he knows this is our only ~~communication~~ <sup>way</sup> of communication. I'm still trying to figure out how he adjourned my court date for trial for 6 months (the last time I was at the court house but not present for the adjournment) which is a violation of my 6<sup>th</sup> amendment of my Speedy trial Rights. I feel Mr. Arnone is passing information we discuss in private back to the

~~Prosecution~~ Prosecution and I do not feel comfortable with him on my case any more and would like immediate termination.

"To establish ineffective assistance counsel, it must be shown that counsels performance was deficient and that the deficient performance prejudiced the defense so as to render the trial unfair and the result unreliable", (See Strickland V. Washington, 466 U.S. 668, 687, 104 S CT 2052, 80 L. E.D. 2d 674 (1984))

Furthermore, "On balance, the benchmark for judging any claim of ineffectiveness must be whether counsel's conduct so undermined the proper functioning of the adversarial process that the proceeding cannot be relied on as having provided a just result." (See MQueen V. Scroggy), 99 F.3d 1302, 1311-12 (6th Cir. 1996)

To the Clerk of the Court can you  
please send me my ~~docket~~ docket sheet  
and some Criminal subpoenas thank you.
